CONCORD, N.H. (AP) — The New England premiere of the movie "On Golden Pond," will be held in Concord on Jan. 21.

The office of Gov. Hugh Gallen said Friday the premiere will be at Cinema 93 for the picture starring Katharine Hepburn and Henry and Jane Fonda.

The film was made in New Hampshire's Lakes Region last summer by Universal Pictures. It was the first movie production brought to the state by the New Hampshire Film and Television Bureau.

The bureau, Gallen and owners of Cinema 93, Barry and Arthur Steelman, will share the hosts' duties.

The stars of the movie have been invited to the premiere and reception that will follow.
